Dear Sam:

I would be happy to form the interagency team you proposed in your 4 March letter to respond to the requirements of the Infantry School. However, since it is an Army school I concur in your suggestion that we ought to bring Hal Aaron into the picture right away. I have therefore written him soliciting Army participation in a DIA team or, alternatively, proffering DIA participation in a team to operate under his aegis. A copy of my letter to Hal is enclosed.

Sincerely,

Dear Hal:

Enclosed is some correspondence from Sam Wilson which I am sure will be of interest to you.

I will be happy to organize the interagency team suggested by Sam to respond to the invitation of Tom Tarpley at the U.S. Army Infantry School and would welcome Army participation.

Alternatively, if you prefer to "carry the ball" I would be pleased to proffer the full assistance of DIA, to include briefers from my DI and DT staffs.

Sincerely,

S/Oan
